

PRIVACY COMMITMENT

Strategy Insight OS, LLC is committed to protecting the privacy of the personally identifiable information that we collect from you as you use this website (the "Site"). The scope of Strategy Insight OS's commitment is detailed in this Privacy Policy. By submitting information, you agree to Strategy Insight OS's use of such information as described herein.

Because of the changing legal landscape and the evolving nature of technologies, we reserve the right to amend this privacy statement, and will post those changes on this page so that you are always aware of what information we collect, how we use it, and under what circumstances we disclose.

INFORMATION WE COLLECT

We require customers who register to use the services ("Services") offered on our Site to give us contact information, such as their name, company name, address, phone number, and e-mail address, and financial qualification and billing information, such as billing name and address, credit card number, and the number of users within the organization that will be using the Services. At the time you express interest in attaining additional information, or when you register for the Service, we may also ask for additional personal information, such as title, department name, fax number, or additional company information, such as annual revenues, number of employees, or industry. Customers can update or remove their personal information at any time by logging into the Website and editing their Personal Information within Setup. Customers can view their updated profile to confirm their edits have been made.

Customers of the Service will be using the Site to exchange information. Strategy Insight OS uses the information that we collect to set up Services for individuals and their organizations. We may also use the information to contact customers to further discuss customer interest in our company, the Services that we provide, and to send information regarding our company or partners, such as promotions and events. Customers are invited to receive an email newsletter by providing an email address. Again, customer email addresses and any personal customer information will not be distributed or shared with any third parties. Customers can opt out of being contacted by us, or receiving such information from us, at any time by sending an email to customersupport@StrategyOS.com.

Separately, customers are also asked to provide an email address when registering for the Service, in order to receive a unique username and password. We may also email information regarding updates to the Service or company, and will send a Customer Newsletter. Again, email will not be distributed or shared and customers can opt out of receiving any communication by emailing customersupport@StrategyOS.com at the time it is distributed, or at the time any customer registers for the Service.

INFORMATION DISCLOSURE POLICY

Except as we explicitly state at the time we request information, we do not disclose to any third-party the customer profile information provided. All financial and billing information that we collect through the Site is used solely to check the qualifications of prospective customers and to bill for Services. This billing information is not used by Strategy Insight OS for marketing or promotional purposes. Strategy Insight OS uses a third-party intermediary to manage the credit card processing. This intermediary is solely a link in the distribution chain, and is not permitted to store, retain, or use the information provided, except for the sole purpose of credit card processing.

Individual records may at times be viewed or accessed only for the purpose of resolving a problem, support issue, or as may be required by law. Of course, customers are responsible for maintaining the confidentiality and security of their user registration and password.

Strategy Insight OS may also collect certain information from visitors to and customers of the Site, such as Internet addresses. This information is logged to help diagnose technical problems, and to administer our Site in order to constantly improve the quality of the Service. We may also track and analyze non-identifying and aggregate usage and volume statistical information from our visitors and customers and provide such information to third parties.

If a user elects to use our referral service for informing a friend about our site, we ask them for the friend's name and email address. Strategy Insight OS will automatically send the friend a one-time email inviting them to visit the site. Strategy Insight OS does not store this information.
